summarizing points in your own words.

Using bullet points and headings: Organize notes logically to mirror the

2.

chapter?s structure, making review more straightforward.

Highlighting key terms and concepts: This aids in quick reference and

Theoretical Frameworks and Models

Many disciplines present models or frameworks in the second chapter to provide a lens through which later information is interpreted. In business studies, this could be Porter?s Five Forces model, which frames competitive analysis. Detailed notes on these frameworks enable students to apply them to case studies or real-world scenarios e?ectively.

Comparisons and Contrasts

Chapter 2 often contrasts di?erent ideas or methods, aiding in critical thinking.
